Subject: EPA Disapproval Action on Idaho's Human Health Criteria for Arsenic Criteria
Attachments: EPA Disapprvl of ID Arsenic HHC WQ_Burnell ltr_9.15.2016.pdf

Hi Melissa and Cheryl,

Attached is a copy of EPA's disapproval of Idaho's arsenic criteria which was based on the 10 micrograms/liter drinking water MCL value. Lisa Macchio was the lead on this action for us.

Thanks,

Matthew Szelag | Water Quality Standards Coordinator
